**An Invitation to Participate.**

The Council of Management and the Friends of Crewe Heritage Centre are planning the further physical development of the Centre and wish to exchange ideas with all who can subscribe to The Trusts' objectives which are *“To advance the education of the public in the social, economic and industrial history and development of Crewe and its surrounding area and in the history of railways and their part in the history and development of the area.”*

**All people with ideas are invited to attend.**
